Dear Parents and friends,

'Building Schools for the Future' information evening

I would like to invite you to an information and discussion evening on 'Building Schools for the Future' on Wednesday 3rd March , 7.00 – 8.30pm, in the South Hall at Music Centre.

'Building Schools for the Future' is an exciting national programme which aims to rebuild and redesign many of our secondary schools and so to transform learning experiences for young people. Bolton and Blackburn are working together on this initiative and our site has been identified for the first phase of the development in Bolton.

Bolton Music Service is collaborating with Ladybridge High and Rumworth in bringing about a range of new developments on this site and we are looking forward to new opportunities both in terms of enhanced facilities and more music making opportunities for local people.

We would like to share our vision and our initial ideas with you during this information evening and would like to give you chance to comment on and discuss the initial proposals.

I do hope you can attend the meeting and look forward to seeing you,

Yours sincerely

Carolyn Baxendale
Head of Service
